# Celebrate Improved Product Availability from our New Office Suite and Distribution Center

## New Office Suite and Distribution Center NOW OPEN

Please join us in celebrating the opening of our new state-of-the-art office suite and distribution center, together in one convenient Bolingbrook location.

## Faster Delivery Times and Expanded Inventory

With expanded warehouse space we have increased our stock holding and diversified on-hand product options.

Whether you are looking for Veterinary Analyzers, COVID-19/Influenza A&B test kits, Drugs of Abuse tests or Women's Health solutions product is available when you need it.

## Continuity of Service

The satisfaction of our customers is key. The way in which you communicate with us has not changed, only our physical location.

## Contact Details

Our email address and telephone number have not changed but our new physical address is:

**890 Remington Blvd,  
Bolingbrook, IL, 60440 USA**

For more information contact your local representative or email [info@wondfousa.com](mailto:info@wondfousa.com).
